Singing for Health

3rd November - 8th December

These workshops are in partnership with the Museum of English Rural Life (MERL). They are designed for those experiencing the longer term impacts of Covid 19 in different aspects of their lives.

The health and wellbeing benefits of singing are huge, and singing is something that we can enjoy together. As a participant, you can take it at your own pace.

Award winning folk singer and trainee music therapist Jackie Oates will lead a series of gentle workshops in harmony singing, using songs steeped in heritage and a shared humanity in the inspiring setting of The Museum of English Rural Life.

6 Weekly Workshops
3rd November - 8th December
