

Compass  
RECOVERY COLLEGE

# Colour Visions Art group Tuesdays, 18 Oct - 29 Nov

Join us to explore 'Colour Visions' through film, sculpture, photography, sound, visual arts and visits to artist studios and galleries.

Sessions will be fun, relaxed, and inspiring - for new and experienced artists alike.

'Colour Visions' is a new 2 year arts programme with artists facilitator Lisa-Marie Gibbs and Compass, nurturing individual perspectives through a collective vision. In a colour palette each colour is equivalent to and independent of itself, there are no hierarchies. Every colour holds its own language.

Join us to find a "creative flow" for wellbeing.
